

Elementary // 2nd Grade Luke Bell

Luke is a hard worker and very considerate of others. He also tries to do the right thing, even if it is not the "cool" thing to do. Even when others embellish their stories just a little, Luke remains truthful. He deserves to be named star student because of his diligence, thoughtfulness, and honesty.

Mrs. Laura Womack

Middle School // 7th Grade Cody Jordan

Cody is very conscientious about everything he does. He is kind to others and always goes out of his way to be helpful. He is a leader among his peers, speaking in middle school chapel recently for a whole service! Cody is an excellent representative of all CCS stands for! He pursues excellence in the classroom, in athletics, and in his relationship with Christ!

Mrs. Nicki Olinde

High School // Freshman Macon Bell

Macon is a "new to us" freshman. I am impressed with his diligence and quiet good humor. I find him to be courteous and respectful to his teachers and his peers. He is willing to tackle whatever is asked of him and do so without complaint. I respect his witness for Christ and his efforts to do right.

SERVANTS OF CHRIST

"The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'" Matthew 25:40

This December, Claiborne Christian seniors will be participating in many community service projects. They will be volunteering at nursing homes, teen pregnancy centers, homeless shelters, the Ronald McDonald House, and many other places! This is a great way for our teenagers to show God's love to our community. Sometimes we take for granted the blessings God has given us, and we look past all the people that we could help in our lives. I encourage everyone this Christmas season to reach out in your community and give the gift of God's love.

Star Teacher Award: Mrs. Nicki Olinde Middle School Lead Teacher

My lead-teacher has been a tremendous help and blessing to me as a first-year teacher. She has shown me a godly example of how to deal with students, parents, and other teachers. She has encouraged me, as well as the other middle school teachers, to pray for our students by name – something I aspire to do daily. She has been an encouragement to me in the small things, like how to communicate effectively with parents and how to better structure my class time in order to incorporate a good wrap up of the day's lesson. She has made great use of her lead teacher time on Wednesday's and even brings us treats like Sonic drinks and air-fresheners for our classrooms. She asks for prayer requests and praise reports of how God is working in our lives. She has been a great example of what I believe makes a great teacher!
